DOORS OF DEBT CLOSE BEHIND US! CENTENNIAL CRUSADE OPENS DOORS OF OPPORTUNITY FOR BAPTISTS

D. A. McCALL, DIRECTOR NOW CLUB AND CENTENNIAL CRUSADE

Thank You

Few people or plans have the privilege of accomplishing as much within the brief span of four short years as has the Now Club.

It was not cradled figuratively in silks and satins in days of prosperity as is the Centennial Crusade. The Now Club came into being in the day of denominational poverty and crisis. Our Baptist Bonds had been discounted. We were having to increase debt and issue new bonds to pay interest on bonds, and the spirit of our people was weakened, if not broken, and some were in bad temper. God our Father set forth the Now Club in the minds and midst of His people, called Mississippi Baptists. We owed \$910,000 at that time. It was second only to the debt of the Texas Convention. Many of our people said it could not and would never be paid.

Today Mississippi Baptists are "Debt-Free" in deed and in truth. Nothing so far as we know is under cover. Through the Now Club we have saved \$284,000 in interest. Our hearts are happy! Our spirits are revived! We taste the fruits of VICTORY!

The Now Club is unique in that it is the first financial campaign completed by Mississippi Baptists for many years; it has brought in the largest sum of money of any continuous campaign of any Mississippi Baptist life, and it has helped to unify Mississippi Baptist life as has not been done during the ministry of the writer. DOXOLOGY!

First, we thank God the Father of our Lord Jesus Christ.

Second, we thank the pastors and churches, and 10,000 Now Club members who, under the leadership of the Holy Spirit got the victory.

Third, we thank messengers, who at one convention after another stood by their votes that we would not increase our indebtedness until we have done something about the debts that have almost strangled us as a people.

Fourth, we thank the Convention Board members who have given us cooperation and Christian fellowship second to none.

Fifth, we thank the Education Commission members who stood as Stonewall Jackson in the face of anything that threatened the spiritual health of Mississippi Baptist life at this point.

Sixth, we thank the field men who carried unsung burdens in helping raise the money.

Seventh, we thank the group with whom we worked, day by day, our office and department helpers. The office secretary, stenographers, bookkeepers and others have again and again worked overtime because of the Now Club effort. Department heads and associates have frequently gone the second mile in helping with the "Debt-Free" effort.

Small wonder the heart of your Executive Secretary and Now Club director has sung—

"Praise God, from whom all blessings flow;
Praise Him, all creatures here below;
Praise Him above, ye heavenly host;
Praise Father, Son and Holy Ghost."

Resurrection Dawn---In All Judea

(Above we show a copy of the picture which holds the central place on the walls of the State Mission Secretary's office at Baptist headquarters. Underneath is the message, "Go . . . into all Judea . . . preaching . . . baptizing . . . teaching . . . healing. . . . Lo, I am with you. . . ." This has been symbolic of the emphasis of the work the past five years. It is used with permission of Christian Herald Magazine.)

--- IN ALL JUDEA

Behind Him is a cruel cross;
Gone its anguish and its pain!
Behind Him is the empty tomb,
Where Immanuel had lain.

Before Him sleeps Jerusalem,
Enslaved by sin and sorrow's ills;
Beyond wait weary multitudes—
Now Christless—in Judea's hills.

"In Jerusalem, witness, and in all
Judea—
They must the living message know!
If ye forsake Judea's fields,
Who then, My Word, in them will
sow?"

Across Judean hills we hear
The risen Savior's call echo
Now, as in resurrection's dawn,
"To all Judea!" He bids us go!

The Centennial Crusade 1945

The Centennial Crusade with all of its far-flung implications is the greatest thing before Mississippi Baptists at this time.

First of all, it points toward far greater efforts and results in soul winning than we have known before.

Second, it means stewardship, tithing and financial contributions beyond anything Mississippi Baptists have known in the work of Christ heretofore.

Third, it means Christian Education in its largest outlines will receive a needed emphasis and support.

Fourth, the rehabilitation program means that our properties and mission work will be restored on war ravaged mission fields.

Fifth, it looks toward reaching millions of our own unreached church members.

Sixth, through benevolences it means that the sick and suffering, the orphans and the needy generally, will be ministered to in the spirit of Christ.

Our financial obligations are paid. The field is cleared! Mississippi Baptists are ready to go on in all the work of Christ.

A Debtless Denomination Before 1945

THE NOW CLUB IS DEAD

We are afraid that from the heathen we get too much of the mourning for departed and victorious Christian loved ones and friends. For them it is a triumphal entry into the Glory World. It should be that for us in prospect. It is a graduation into the University of Glory. We repeat—"THE NOW CLUB IS DEAD." It has run its course. It has finished its work. It came into being in 1940 when we owed \$876,145.42. The Now Club was primarily for the purpose of retiring \$542,100 outstanding bonds, included in the above amount. Suggestions came from two or three individuals that would have diverted Now Club monies to other causes. We steadfastly resisted, such unfaithfulness toward Mississippi Baptists.

The Now Club monies were to go first of all toward refunding Education Commission bonds. We held steadfastly to that course. These bonds along with all other Mississippi Baptist indebtedness, involved the transferring of monies that are now paid in full.

Through the Now Club and help from the Cooperative Program, this terrific task was accomplished, saving \$284,000 in interest.

The Now Club was organized when Mississippi Baptists' income for Christian Education would not even meet annual interest payments, to say nothing of principal maturities. Two of our educational institutions had gone down. The others were in need. The evangelistic emphasis had been somewhat submerged. Our bonds at times had been valued at fifty cents on a dollar. The spirit of the people was at low ebb. Some of our best said, "It could not be done."

The Now Club was born, breathing uncertainly, struggling for its very existence for part of the time, but it grew strong, lived and died VICTORIOUSLY.

The Now Club was only an instrument. It was born in the spirit of prayer, lived for Jesus, motivated thousands of Mississippi Baptists to respond to its challenge. Loyal pastors and other church members accomplished the task.

So far as we know, the largest amount of money in a single continuous campaign throughout Mississippi Baptist history, came in from this boldly glorious effort.

Small wonder so many hearts are glad! DOXOLOGY!

"Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open you the window of heaven, and pour you out a blessing that there shall not be room enough to receive it." Mal. 3:10.

BONDS! BONDS! BONDS, READY FOR THE BONFIRE

Small wonder these Convention Board employees are smiling! The last bond of three issues totalling near \$1,000,000 has been paid. The last interest coupon, a part of \$300,000 interest paid over the last 25 years, has been taken up. You are looking at more than \$1,000,000 in cancelled bonds and coupons. They were prorated over a period of years through 1957. Other costs in handling this bonded indebtedness included the cost of printing the bonds and coupons, the salary and expenses of from one to six field men year after year, the cost of mailing tens of thousands of letters for some years, the cost of additional bookkeeping and other office help, exchange on checks totalling hundreds of dollars, advertising bond calls, etc.

Despite all this, we have saved \$284,000 in interest by calling the last

of these bonds 13 years ahead of maturity date!

Personnel in the picture includes: D. A. McCall, executive secretary and Now Club director, who organized the Now Club; Miss Bess Eva Schilling, bookkeeper, who handled every entry in issuing and calling bonds and paying interest coupons; Miss Eunice Sandlin, office secretary; Miss Naomi Middleton, stenographer and assistant bookkeeper, and Mrs. C. O. Lindsey, stenographer, who have sent out tens of thousands of letters in various Now Club campaigns, and who, along with others, have repeatedly worked over hours under the pressure of the general debt paying campaign. Again, small wonder they smile, because money secured in the making of the debts was used by our Baptist colleges in providing Christian training for thousands of boys and girls.

IT CAN BE DONE

Somebody said that it couldn't be done,
But he with a chuckle replied
That "maybe it couldn't," but 'he would be one
Who wouldn't say so till he'd tried.
So he buckled right in with the trace of a grin
On his face. If he worried he hid it.
He started to sing as he tackled the thing
That couldn't be done, and he did it.

Somebody scoffed: "Oh, you'll never do that;
At least no one ever has done it."
But he took off his coat and he took off his hat,
And the first thing we knew he'd begun it.
With a lift of his chin and a bit of a grin,
Without any doubting or quiddit,
He started to sing as he tackled the thing
That couldn't be done, and he did it.

There are thousands to tell you it cannot be done,
There are thousands to prophesy failure;

There are thousands to point out to you one by one
The dangers that wait to assail you.

But just buckle in with a bit of a grin,
Just take off your coat and go to it;
Just start in to sing as you tackle the thing
That "cannot be done," and you'll do it.—Edgar A. Guest.

THESE CHURCHES DID IT!

We are happy to present the churches that actually brought victory in our Mississippi Baptist debt-paying effort through making contributions to the Now Club.

The contributions are taken from our books January 1940 through June 1944. Certainly the churches for which Jesus died must bring joy to His heart as He sees them in action for Him. The record follows:

When EXHAUSTION leads to Headache

Don't let headache double the misery of exhaustion. At the first sign of pain take Capudine. It quickly brings relief, soothes nerves upset by the pain. It is liquid—already dissolved—all ready to act—all ready to bring comfort. Use only as directed. 10c, 30c, 60c.

CAPUDINE

These Mississippi Baptists Did It!

"Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us,

"Looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God."

The nearly 10,000 people whose names follow belong to, and contributed through the Now Club, helping retire Mississippi Baptist debts. Many gave through church budgets without listing their names. They constitute the gallery of the faithful. Doxology! The list of members follows:

BAPTIST WOMEN HELPED

Mississippi Woman's Missionary Union, AUXILIARY to Mississippi Baptist Convention, has ever been the name and aim of this organization. AUXILIARY to the Convention, a helper in all worthy undertakings. When Mississippi Baptists definitely decided to "NOW" pay our debts—we were ready and eager to assist in every possible way. Our entire organization, state, district, associational and local, assumed responsibility and addressed itself to the task. With hope and expectancy we looked for the day when Mississippi Baptists could march forward in quickened step to our great task of making Christ known, which will now be possible with this hindering load lifted. As we approach this Centennial year, we have as our slogan "Consecrating the Centennial to Christ," and as our aim, "Centennial Victories Through Consecration and Cooperation." These two words, lived out in life will bring increasing victories in His name. The winning of lost people to a saving knowledge of Christ Jesus is the heart of the Missionary Enterprise. Woman's MISSIONARY Union constantly seeks to lead our women and young people to a deeper consecration to this task and greater cooperation in it. We will enter heartily into all the plans for the Centennial and pledge cooperation in seeking to make the year a time not only for glancing gratefully backward but also for going courageously forward.

—EDWINA ROBINSON.

Kidneys Must
Clean Out Acids

Excess acids, poisons and wastes in your blood are removed chiefly by your kidneys. Getting up Nights, Burning Passages, Backache, Swollen Ankles, Nervousness, Rheumatic Pains, Dizziness, Circles Under Eyes, and feeling worn out, often are caused by non-organic and non-systemic Kidney and Bladder troubles. Usually in such cases, the very first dose of Cystex goes right to work helping the Kidneys flush out excess acids and wastes. And this cleansing, purifying Kidney action, in just a day or so, may easily make you feel younger, stronger and better than in years. Get Cystex from your druggist today. Take it exactly as directed and see the results in your own particular case. Under our guarantee unless completely satisfied you simply return the empty package and get your money back. Three guaranteed sizes: Only 35c, 75c, \$1.50 at druggists.

C. B. Hamlet, III, of Winona, led in the stewardship revival of Alexander Memorial church at James. There were 40 who signed the stewardship pledge and eight united with the church, seven of whom were by baptism. On the following Sunday there were eight others who united with the church as a result of the revival.

—E. V. Richardson, clerk.

A QUESTION

Why do Baptists cling to the idea that they cannot dedicate a church house to the Lord until the debt on the property has been paid?

I have been reading about a number of dedicatory services lately where to my certain knowledge the buildings so dedicated have been occupied and in use by the church for ten or twenty years.

A church building debt is simply a method by which the church defers the payment on a capital investment. Paying the debt adds nothing to the physical value of the property, nor to its facilities.

In other words, in whose name and in whose honor and for whose glory have the churches been meeting in these undedicated buildings all these years?

I want to see Baptists begin now to dedicate their church houses to the Lord when the buildings are finished and occupied. Why not?

Baptist Training Union

AUBER J. WILDS

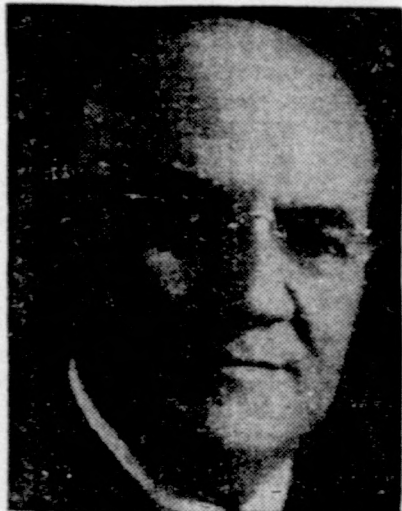

This release from the shackles of debt-bondage will make possible new plans, new goals, new budgets, new workers, new work, new thrills in service. The Training Union department looks forward to the greatest program in its history. Already we have lengthened our cords. There are four in our department giving full time in this enlistment effort. We are asking the Board next week for an increase in our budget sufficient to add a fifth worker—a man who will give his full time to the promotion of Adult Union work. Surely with the continued missionary spirit of our people, the continued increased income, and our growing concern for State Missions the increase will be made and the worker employed. Training Union is definitely entrenched in evangelism. We are "train-

"My cup runneth over." For fifteen years I have looked forward to the day when Mississippi Baptists would be debt free. That day has arrived fifteen years before I expected it. And now that we are out of debt we can marshal ALL our forces toward reaching the 1945 Centennial goals. Let us not only rejoice, but work while we rejoice.—A. L. Goodrich, editor, Baptist Record.

DAY OF CONTRITION SCHEDULED FOR DECEMBER 31
Evangelistic Schools Set for January 15-19

There are three red-letter days in the Crusade schedule which all of our people should set down as a MUST in their calendar of Christian activities, according to Dr. M. E. Dodd, general director of the Centennial Evangelistic Crusade, namely:

1. DECEMBER 31—A day of contrition, confession and consecration in every church, beginning with the

Sunday School Dept.

E. C. WILLIAMS

The Sunday school department has gladly cooperated in the debt-paying program of Mississippi Baptists and now rejoices that the debts are paid and that the Now Club is dead—and we hope forever. We now pledge fullest cooperation in the great Centennial Crusade and the program of Mississippi Baptists to further the cause of Christ in every possible way.

Sunday school officers and teachers at 9:00 a. m., and running through a watchnight service ending at 12:01 midnight. If our people will come together as planned on that day and humble themselves and confess their sins and pray then we may reasonably expect great things from God during the Centennial year.

2. JANUARY 15-19—An All-Church-School of Evangelism with classes for Juniors, Intermediates, Young People and Adults in every department of the church. It is exceedingly important that bands of personal soul winners be organized and trained in every church.

3. THE DAYS OF PRAYER preceding the Crusade in each individual church.
